How easy is SKIPM8 to use?

SKIPM8 has been an absolute game-changer for Surrey Recycling Services.

First off, this system is a breeze to navigate. I can effortlessly find my way around and get things done without any confusion. Learning how to use SKIPM8 was a piece of cake too. I quickly grasped its features and functionalities, and it does everything we need it to do.

When it comes to reliability, SKIPM8 blows other systems out of the water. SKIPM8 works like a charm all the time. I no longer have to deal with frustrating system crashes or delays. The calculations SKIPM8 provides are spot on. I can trust the accuracy of the numbers it churns out, which is a huge relief.

How does SKIPM8 make your job easier?

SKIPM8 makes my life so much easier. I don't have to try and remember every single detail. It holds all the information we require, saving me from the stress of mental overload. I can rely on SKIPM8 to store and organise everything we need, giving me peace of mind.

How do you find customer support?

The customer support provided by SKIPM8 is fantastic. No more endless waiting on hold or listening to elevator music. Their support is responsive and efficient. Whenever I encounter an issue, they resolve it quickly, allowing me to get back to work without unnecessary delays. It's refreshing to have such reliable support at my fingertips.

Would you recommend SKIPM8 to others?

Yes, definitely. It's made all our lives so much easier.

Office Administrator

Johnny

How easy is SKIPM8 to use?

As a user of SKIPM8, I must say that I find it exceptionally user-friendly. From the moment I was introduced to the system, I quickly grasped its features and functions. The simplicity of navigating through SKIPM8 is impressive, making it a breeze to accomplish my tasks efficiently.

How did you find learning SKIPM8?

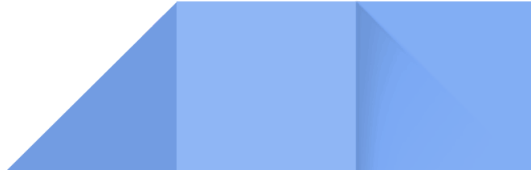

When I was first introduced to SKIPM8 and shown the basics, I was pleasantly surprised by how quickly I was able to understand and use it. The interface is simple and straightforward, making it easy for me to navigate and find what I need. SKIPM8 is really responsive, which helped me become comfortable with it in a short period of time. This user-friendliness has been a huge time-saver for me. I didn't have to go through lengthy training sessions or deal with frustrating troubleshooting. I'm grateful for how SKIPM8 has made my life easier and more efficient.

Would you recommend SKIPM8 to others?

Yes, it will make running your skip hire business easier and quicker.

If you could add or change anything on SKIPM8, what would it be?

Invoicing - connect to XERO so that it automatically transfers data so i don't have to create the invoices alongside adding data to SKIPM8.

Driver #1

Nick Sandom

How easy is SKIPM8 to use?

SKIPM8 has truly made my life as a driver much easier and more streamlined. This system is incredibly easy to use, surpassing the hassle of having to remember everything, jotting it down, or constantly calling the office for information. I highly recommend SKIPM8 to all drivers out there.

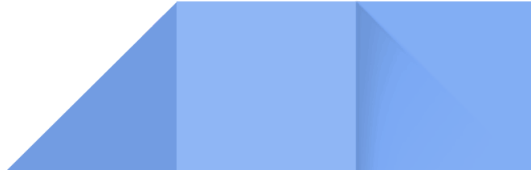

How does SKIPM8 make your job easier?

The simplicity of SKIPM8 is remarkable. Navigating through the system is a breeze, allowing me to quickly access the information I need on the go. I no longer have to rely on my memory or worry about forgetting crucial details. SKIPM8 holds all the necessary information, making my job much more efficient and reducing the chances of errors.

Gone are the days of having to jot down addresses, directions, or customer requests. With SKIPM8, I have everything I need at my fingertips. This means less time wasted on paperwork or trying to decipher handwritten notes. SKIPM8 ensures that all relevant information is easily accessible, freeing me up to focus on my driving tasks and providing excellent service to customers.

Would you recommend SKIPM8 to others?

If you're a driver looking to simplify your job and improve efficiency, I highly recommend giving SKIPM8 a try. It will undoubtedly make your life on the road much easier.

Driver #2

Tony Bell

How easy is SKIPM8 to use?

SKIPM8 has been a fantastic system for me as a driver. It's incredibly user-friendly and easy to learn. In fact, it's so easy that I picked it up in no time. Using SKIPM8 is a breeze compared to our old system.

How does SKIPM8 make your job easier?

One of the standout features of SKIPM8 is its ability to hide completed jobs. This eliminates any confusion and allows me to focus solely on the tasks at hand. With completed jobs out of sight, I can navigate through the system with clarity and confidence, knowing exactly what needs to be done next.

What I appreciate most about SKIPM8 is how it eliminates the need for constant phone calls to gather information. Previously, I would have to call the office repeatedly to get all the necessary details for each job. With SKIPM8, everything I need is conveniently available within the system. This saves me time and allows for a more efficient workflow.

Would you recommend SKIPM8 to others?

I would definitely recommend SKIPM8 to other drivers. It's an excellent system that is easy to use, easy to learn, and provides a significant advantage over the old method of phoning for details.
